**Regarding Today's Press Release by the Securities and Exchange
Surveillance Commission**

The Securities and Exchange Surveillance Commission announced today that it had recommended the issuance of an administrative monetary penalty payment order against a former employee of Mitsubishi Corporation in connection with insider trading relating to the tender offer by M Cap No. 12, Co., Ltd. for the common shares of Nagatanien Holdings Co., Ltd., which was announced in June 2024 (the "Incident").

The Incident does not relate to Marunouchi Capital Inc. ("MCAP") or any of its officers or employees, nor was there any improper disclosure of information by MCAP.

Nevertheless, MCAP deeply regrets that conduct undermining the fairness and integrity of the securities market occurred and takes this matter very seriously.

MCAP will continue its efforts to maintain and enhance its information management framework and to reinforce compliance awareness throughout the organization.
